**NOTICE TO SHAREHOLDERS – CLOSING OF THE ACQUISITION OF EQUITY STAKE IN
STIX FIDELIDADE E INTELIGÊNCIA S.A.**

Raia Drogasil S.A. (“RD Saúde” or “Company”), further to the Notice to the Market disclosed on May 20, 2026, hereby informs the market in general that the acquisition of a 66.67% equity stake in Stix Fidelidade e Inteligência S.A. (“Stix”), previously held by Companhia Brasileira de Distribuição (“GPA”), has been completed upon fulfillment of the applicable conditions precedent, including approval by the Administrative Council for Economic Defense (CADE).

With the closing of the transaction, RD Saúde now holds 100% of the share capital of Stix, thereby terminating the joint venture previously maintained with GPA. The transaction amount was R\$ 23 million, paid in two installments: (i) R\$ 2.3 million on the date of signing the purchase and sale agreement; and (ii) R\$ 20.7 million after the closing of the deal.

The parties have agreed that GPA will remain in the Stix program, given the strategic relevance of this partnership for the coalition and their respective customers. The continuation of the partnership will ensure the maintenance of current benefits, including the accumulation and redemption of points, as well as the preservation of the customer experience and incentives currently offered within the Stix ecosystem.

Founded in 2018, Stix has included RD Saúde as a minority shareholder (33.33%) since 2019. Stix operates in the structuring, development, operation and management of a loyalty program that brings together multiple partners and enables the accumulation, management and redemption of loyalty points. The acquisition is aligned with RD Saúde’s strategy to strengthen customer loyalty and engagement initiatives, while also simplifying Stix’s corporate structure.
